

# Martin Boyle

ccNSO

Martin Boyle joined Nominet in 2008 as Senior Policy Advisor. He is currently focused on international Internet governance and policy issues, working in ICANN, the Internet Governance Forum, the International Telecommunications Union and the Commonwealth Telecommunications Organisation. Nominet is a founder and main coordinator of the UK-IGF.

Previously he worked for the UK government, representing the UK in the World Summit on the Information Society for Internet governance infrastructure issues and was the UK government representative in the GAC.
